### Engaged – Proud – Successful

What a fantastic week last week was! I would like to congratulate the Intermediate Choir and Strings group on such an outstanding performance at the Epping Music Festival. I have been impressed with the dedication of our students who have attended regular rehearsals for Strings and Choir. The effort and enthusiasm was highly evident on the night and I appreciate the commitment to these extra-curricular activities by Miss Aguas, Miss Lam and Miss Grover. Joel and Emily were outstanding comperes on the night and represented Ermington PS with pride. Congratulations!

### Successful Students

I was very impressed with our learners who visited me in my office last week. It was wonderful to witness the growth in Kindergarten reading and to read such engaging, well-structured writing from William in 4/5T.

### Community Connections

In 2019, as part of the school's strategic direction of Thriving Community, we have had an increase focus on building our community and developing community partnerships. The school has been engaging with Ready For Life, Ready For Success who are currently running the Tuning Into Teens workshops for parents each Tuesday and implemented the Kindergarten Connections program in Term 1. Mrs MacKenzie has also been connecting with numerous preschools and early learning centres in the area. Colour My World are visiting for the next few weeks so pre-schoolers can learn more about school life. Many of our students were excited to see some familiar faces last week!

## Band Demonstration

Last Monday, the students were treated to a demonstration from our school band. Our students sound amazing and I thank Mr Butler for his commitment to the students from EPS. If there are any students interested in participating in the band in 2020, please see the flyer in this newsletter.

## Proud to belong at Ermington Public School!

These pictures capture the spirit of students at our school. Such joy, fun and inclusivity in our playground!

## Leaving Ermington Public School in 2020

We are commencing our school planning for 2020. If there is a change of circumstances and your child will not be attending Ermington PS in 2020, please inform the school in writing.

## Christmas Scripture Service

The Scripture teachers are coordinating a Christmas service for the students on Thursday 28<sup>th</sup> November, 2019. A note went home on Monday to students in Ethics and Non Scripture as an opt-out. If you do not wish your child to attend this service then you will need to return the note and your child will attend Non Scripture. Catholic and Protestant Scripture groups will be attending the Christmas service. All parents are most welcome to attend this service.

## Generating Powerful Conversations

Children face many challenging issues in their daily lives. As parents we can support our children by engaging in powerful conversations to support what is happening at school and what is being taught at school. In talking to your child about prevention strategies, action they can take, being resilient and staying safe online can support your child's wellbeing. Below are some resources that can support you in having these powerful conversations with your child on the themes prevention, action, resilience and staying safe online.

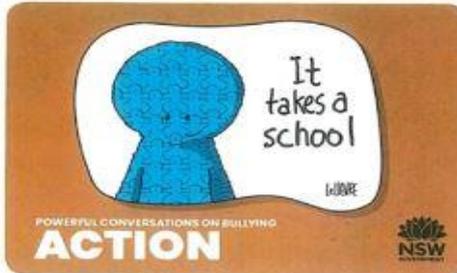

## POWERFUL CONVERSATIONS ON BULLYING PREVENTION

What do you think are some qualities of a supportive friend?

Developing positive relationships, building supportive environments and looking out for others can help your child prevent and reduce bullying. For information about conversations to have with your child about preventing bullying, visit the website at [antibullying.nsw.gov.au](http://antibullying.nsw.gov.au) or visit [www.safety.gov.au/parents](http://www.safety.gov.au/parents).

## POWERFUL CONVERSATIONS ON BULLYING ACTION

There are many ways we can take a stand against bullying behaviour. Do you know any?

We all have the power to take action against bullying – together. Support your child to become an upstander and to learn what to do if they see or experience bullying behaviour. For information, speak with your school and visit [antibullying.nsw.gov.au](http://antibullying.nsw.gov.au) or visit [bit.ly/upstandingaction](http://bit.ly/upstandingaction).

## 1 IN 4 STUDENTS ARE BULLIED ONLINE – YOU CAN HELP STOP IT

Here are four things you can do to stop online bullying

1. Don't feed the trolls. Responding when you are angry or upset is the reaction they want, so don't give in to them.
2. Control your newfeed. Keep your privacy settings updated, and remove or block untrustworthy people.
3. Don't repeat hurtful or cruel posts. What you post reflects who you are as a person and a friend. Be your best self.
4. Take a screen shot before the content is deleted. Tell a parent, carer or teacher and give them the screen shot. And always report serious threats to the police, school and the Office of the Privacy Commissioner [www.essential.gov.au](http://www.essential.gov.au).

Visit the NSW anti-bullying website for more information on staying safe online at [antibullying.nsw.gov.au](http://antibullying.nsw.gov.au).

## POWERFUL CONVERSATIONS ON BULLYING RESILIENCE

What positive coping skills do you and your family practise to manage stressful situations?

The impact of bullying behaviour can be long-term and life-changing for everyone involved. Help support your child develop good relationships, manage their feelings and bounce back from conflict. See the [antibullying.nsw.gov.au](http://antibullying.nsw.gov.au) website for more information about understanding and managing emotions, and establishing and maintaining positive relationships. ## Stage News

### Kindergarten

Kindergarten had a fabulous time at Field of Mars with their teddies! It started with a story and some games then we were off on an adventure trying to crack the code of PAWS! While we were away our teddies went into the bush and we had to follow the clues to find them. Those cheeky teddies were waiting for us to return with a picnic set up. What a fun day! We would like to say a big thank you to the parents who came along to help. KM were amazing buddies to some visitors from Colour My World Preschool. They should be commended on their efforts. The news for this week is to make something from a fairy tale out of recycled materials. For example- a castle, puppet or one of the pigs houses. The sounds are: 'ee' and 'ea'. The sight words are: called, than, them and made.

## Stage 1

Welcome to another busy week in EPS! In addition to a yummy bake sale/cake day on Wednesday, we are also lucky enough to be attending the Responsible Pet Education program and welcoming Evelyn and her beautiful dog. Notes have already gone out for our excursion to Koala Park on 13<sup>th</sup> December and we are hoping a swift return of money and permission notes. It promises to be a truly fun and informative day for our students! In addition, just a reminder to please return the money and permission note for the Backflips against Bullying incursion asap as it will be taking place on the first day back at school in 2020. Thank you for keeping up with the nightly reading and regular homework tasks as it really does help our students to consolidate their learning at school. Have a great week!

## Stage 2

Welcome to week 6! Students have been working on their Science with the Earth, Sun and Moon and some classes have been researching the phases of the moon. Our classes enjoyed learning about volume and capacity where they could measure water and determine the capacity in ml. It's so fantastic to see our students displaying their artistic talents with their directed drawings. Have a fabulous week.

### Stage 3

Year 6 students are beginning to work really hard in their preparation for Mini Fete. This takes a lot of organisation and careful planning and every year our Year 6's rise to the occasion. It is a really good exercise in learning to plan, work in a group and coordinate resources and equipment. Each morning children will be staging a lolly guessing competition which has been kindly donated by Mrs Connors. On Thursday our Year 5's will be giving their speeches for student leadership for next year. Their posters around the school are fabulous. During the past 2 weeks stage 3 have been asked to find a poem and recite it in front of their class. The responses have been wonderful and we will hear some of these poems at Thursday's assembly.

### Around the school

What amazing talent we have at Ermington PS! The Intermediate Choir have worked extremely hard all year and we are so proud of their hard work and commitment. Congratulations to Sienna from 3HQ for her stunning soloist performance. Thank you to Miss Grover's String Group and to our School Captains for all their effort in putting on a brilliant show. Dear Ermington Parents

The Parents & Citizens Association, or the P&C as it is better known, is a voluntary group of parents who work with both the school and parents of the school community, to help bring the school community together and raise funds. They make important decisions regarding where the monies raised go to, school policies and day to day school issues.

Next month we will be holding our Annual General Meeting (AGM), at this meeting we will be electing our new Executive for 2020 and we invite everyone to attend and have their say.

- Direct access to the Principal and other members of staff.
- Information and explanation about what's happening in the school and what's coming up.
- The chance to vote on how fundraising money is spent, how the canteen operates and what the school uniform looks like.

# ERMINGTON SCHOOL BAND JOIN THE BAND!

Is your child interested in joining the school band?  
The school band is now taking enrolments for 2020 and  
is open to all students who are currently in years 2-5. No  
prior experience needed!

In Term 4 students will see a demonstration concert at school  
that highlights the different instruments available for tuition. They  
will receive a green school band Expression of Interest note  
providing introductory information.

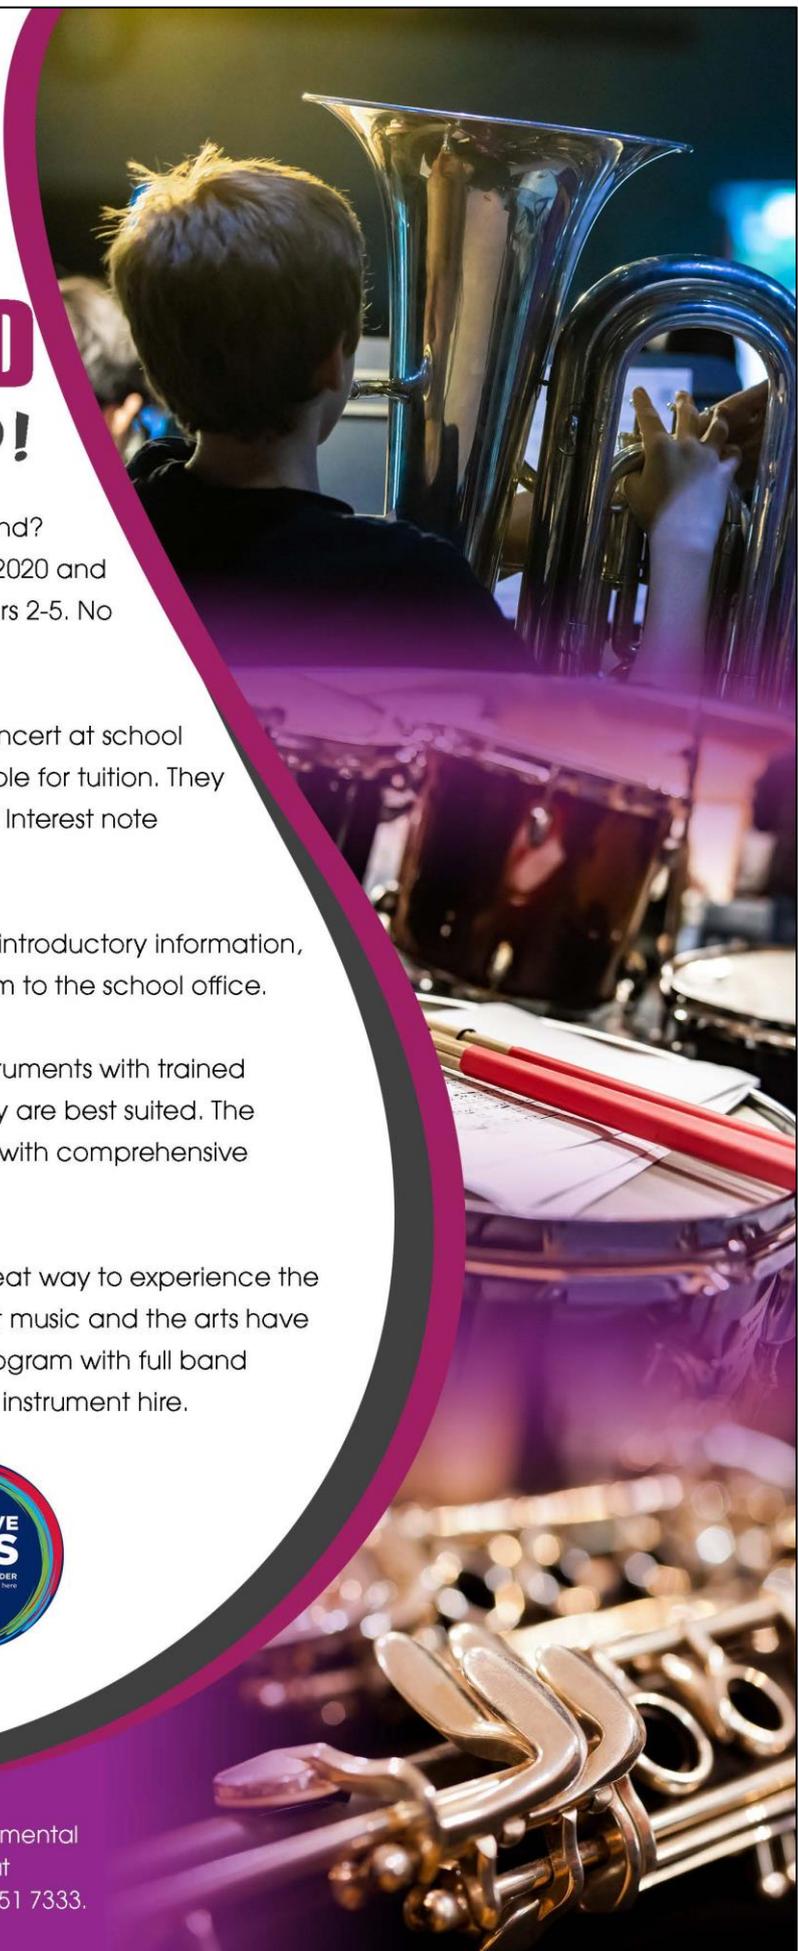

What do you need to do? Carefully read the introductory information,  
then return the green Expression of Interest form to the school office.

Your child will then be able try a variety of instruments with trained  
tutors, to help find the instrument to which they are best suited. The  
results of this instrument trial will be sent home with comprehensive  
enrolment information.

Learning an instrument in an ensemble is a great way to experience the  
social, educational and personal benefits that music and the arts have  
to offer! TSA provides a quality instrumental program with full band  
rehearsals, great value tuition and rent-to-buy instrument hire.

For more information on your school's instrumental  
band program, please contact TSA at  
[enrolments@teachingservices.com.au](mailto:enrolments@teachingservices.com.au) or 9651 7333.

## School Band Program

Dear Parents,

Today your child attended a demonstration concert at school showcasing the instruments available for students to learn in 2020. If you would like more information on the school band program, please return the *Expression Of Interest* below within **5 days** to your school office.

Students who have returned this form will have the opportunity to meet with a TSA teacher at school to try various instruments. Following the instrument trial, an Enrolment Pack will be sent home with your child. This will contain detailed information about the school band program, along with information about instrument choice and suitability.

Below is a brief outline of the band program. More information can also be found at [www.teachingservices.com.au](http://www.teachingservices.com.au).

### How does the band program work?

Students attend both:

- **Band rehearsal** (all students together in a band) - generally takes place before or after school for 30-60 minutes once a week.
- **Group tuition** (small group or individual lesson) - at school, usually on the same day as rehearsal, and is timetabled with the approval of the school. *Group tuition* has an average of 5 students per group and is encouraged as an easy, social way to begin learning a musical instrument.

Home *practise* is essential, at least 3 or 4 times every week for between 15-20 minutes each practise.

### What are the costs?

#### Rehearsal & Tuition Fees

- Group lessons + Band rehearsal fee = \$195 per term  
OR
- Private lesson fee \$395 per term + Band rehearsal fee \$95 per term = \$490 per term

#### Instrument

- Purchase - expect to pay at least \$600 for a quality new wind/brass instrument
- Hire - TSA runs a rent-to-buy scheme starting at \$43 per month

**Other costs** include a tutor book (\$20) & music stand (\$25) and TSA resource levy (\$10 per term). Some schools also charge a facility hire levy (\$10-\$30 per term). Some instruments will need items such as cork grease/valve oil (under \$10), or reeds (max \$52)

-----  
 Please return this slip to your school office within 5 days to ensure your child is called for instrument testing.
