We enjoy **BEING RESPONSIBLE** in and around our school in many ways. Thank you to all of those responsible students who are bring in their wellbeing diaries signed and completed. We are really enjoying seeing students use these in a responsible manner. Many students have getting their lunch and recess orders in on time which shows responsibility. We are very excited to see the new Caught You Being Good cards being sent out this week! Remember it is the students responsibility, especially Yr 3-6 to collect these up themselves when they are rewarded, keep them in a zip lock plastic bag, and then give into their teacher when they have been awarded 10. Have a super week full of responsible students!

### More Incredible Teaching and Learning!

What a great engaging term the students have had. It is hard to believe we are over half way through the term. I am very proud of our students and their dedication to their learning. Our students have been working collaboratively with their peers, asking questions, challenging themselves and persisting in tasks.

### Congratulations Zone Swimmers

Congratulations to our Zone Swimmers who represented Ermington PS with pride at the Ryde PSSA Zone Swimming Carnival. The students showed great sportsmanship and congratulations to Annika and Jay-Yun who will be representing the Ryde Zone at the Sydney North Swimming Carnival.

Thank you Miss McMurray and Mr Lawless for your organisation and support of competitors.

### Toys at School and Playground Activities

Toys at school can often lead to students becoming upset when they are lost or when other children want to play with them. There are plenty of activities for students to access at recess and lunch. Our house captains put out resources and equipment for students to play with. Our library is open Monday to Thursday and offers an opportunity for students to play games, interact with peers in a quiet space and enjoy reading books from our well-resourced library. Mrs Kim will also be establishing a craft club this week.

### Student Expectations: Behaviour Code for Students - NSW Public Schools

The Behaviour Code for Students sets out the expectations students need to abide by when they come to a public school. At Ermington PS we instil these values and expectations through explicit teaching through Positive Behaviour for Learning. The Behaviour Code can be found further in this newsletter.

### Whooping Cough

Whooping cough (also called pertussis) began increasing across NSW towards the end of 2018, especially in children between the ages of 5 and 14 years. NSW Health anticipates that this increase will continue into 2019. School-aged children who are infected with whooping cough usually experience a troubling cough that can persist for months, but they rarely get severe illness. However they can spread the infection to younger siblings and other more vulnerable people, who are at higher risk of severe disease. Whooping cough can be a life threatening infection in babies.

What can you do to prevent whooping cough?

1. Make sure vaccinations are up to date for all family members
2. Be alert for symptoms of whooping cough
3. Keep coughing kids home, to prevent them spreading the infection to others, and see your GP to get them tested for whooping cough. For more information on Whooping Cough and vaccination visit the [NSW Health Website](#)

### Teacher absences

At times, your child's teacher may be absent. Teachers are required to complete professional learning and some of these sessions are external to the school and fall on a school day. Other times, your child's teacher may be sick or have a family member unwell. Teachers leave their teaching and learning programs for casual teachers and at all times the school aims to ensure the students are supported and learning continues as normal.

### Save the Date! School Disco and Literacy and Numeracy Workshops

This term a school disco will be held on Thursday, 11<sup>th</sup> April. If you are interested in volunteering to help out at the disco, please contact Sara at [spandersson@live.com.au](mailto:spandersson@live.com.au) or on 0408 209 332.

While the students are enjoying the disco, parents will have the opportunity to attend literacy and numeracy workshops run by some of our teachers. More information will follow, but please save the date!

This year our school will be moving to NAPLAN Online. To support this, students will be participating in an online practice test.

Students in Years 3 and 5 will be participating in the NAPLAN Online practice test in Week 10 this term. Students will be undertaking one test to ensure students are familiar with the process; gaining an understanding of how to undertake the 2019 NAPLAN test online in May. Students are asked to bring a set of headphones to school to assist in the test. Further information will be sent out to parents via eNews.

The dates of the NAPLAN Online practice test are:

Year 3: Tuesday 2nd April

Year 5: Monday 1st April

## Stage News

### Kindergarten

Kindergarten has had another wonderful week of learning! We are continuing to write amazing sentences and learn all about patterns. Next week is the last week of Kindergarten Connections. KS are desperate for parents to join in this week's activity. The session starts at 2pm on Monday afternoon. With very little fuss, Kindergarten relocated to different classrooms. We look forward to returning to our newly roofed building next week. This week's sounds are 'l', 'f' and 'u'. The sight words are love, family, was and the. Please ensure reading folders come to school every day.

### Stage 1

Stage 1 are very excited for Harmony Day with many classes saying their morning greeting and farewell in a different language. Each class has been paired with a buddy class to complete a harmony day activity. In the photo shown 2Y are completing the first part of their harmony day artwork. The second part will involve Year 6. We cannot wait to see the final product!

### Stage 2

Mathletics is up and running and you have hopefully seen your children accessing and completing their maths activities over the past week. The differentiated activities compliment the learning they have been doing in their classes the previous week. This week we celebrate Harmony Day. Students have been learning greetings from other cultures and we will get to see children from all across the school do this in this week's assembly. Summer PSSA has now finished for the term, so classes will be as usual for the next few weeks with class sport, before Winter PSSA begins in a few weeks.

### Stage 3

Children in year 6 are really working hard to perform all their extra duties. Prefects show much responsibility with their flag raising responsibilities, taking out and bringing in recycling bins, monitoring canteen lines as well as trying to help with our growing mountain of lost property. Sports captains and vice captains are busy collecting house points each week and the laying out of games at lunch time. Librarians are also willing helpers in the library and the SRC will be assisting with Harmony Day. It is so good to see our students so graciously giving up their time to make our school a happy and well run place.

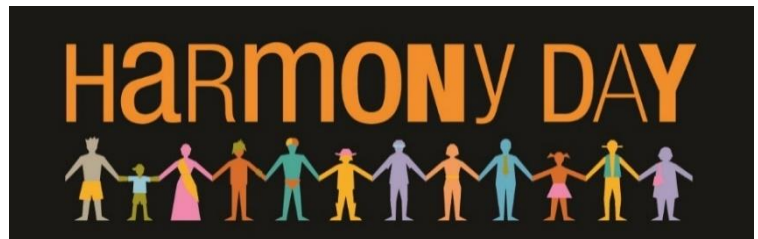

Over the past week 5G has been taking many enjoyable geography lessons in the computer lab. The topic we have been researching is "Australia's Links With Asia". We have discovered fascinating ways that Asian countries are linked with Australia. We hope to have more opportunities for learning using computers this term.

## News Around the School

### Harmony Day – Thursday, 28<sup>th</sup> March

Ermington Public School will be celebrating Harmony Day on Thursday 28<sup>th</sup> March, 2019. Harmony Day highlights community participation, inclusiveness, celebrating diversity, respect and belonging. This year's theme is 'Everyone Belongs'.

Our school staff and student body is a diverse community that takes pride in celebrating Australia's multicultural society and history. We hope to enrich our school community with messages of embracing equality and acceptance amongst all Australians.

Thanking you for your support and we look forward to seeing many national costumes on display and a sea of orange colour for our Harmony Day Celebration!

## School Sport

### Ryde Zone Swimming Carnival

Last Wednesday 13<sup>th</sup> March, I had the pleasure of attending the Ryde Zone Swimming Carnival with a team of 23 students from our school. A number of students made it through to the finals for a variety of strokes, with several place ribbons won.

### Election Day Cake stall

This Saturday 23<sup>rd</sup> March is Election Day. We will be running a cake stall during the day from 8am-4pm at Marsden High School.

**We NEED you.  
Can you HELP?**

### Bakers NEEDED

If you are able to bake some goodies to be sold on the day please drop these off to the school hall on Friday 22nd March from 8:30am-3pm or directly to Marsden high school hall on Saturday 23rd.

### Volunteers

We will need at least 2 volunteers throughout the day to man the stall. This can be an hour or more. To volunteer please follow the below link and add you name and number to the time slots.

<https://docs.google.com/spreadsheets/d/1wXFuZIBApU67p9S8odEPT3CeOI92EYDbOOwNXx0fCRc/edit?usp=sharing>

All money raised will go towards building a new playground at Ermington Public School.

As you may know the 2019 Fete is fast approaching. We still need folks to coordinate the following stalls. Coordinating involves a bit of prep work before the day and then running the stall on the day of the Fete.

1. BBQ - Coordinating involves finding volunteers to help you, purchasing the buns/bread, meat, sauces and storing them in the cooler room before the day. The volunteers should run the stall on the day but you could help and coordinate.
2. Treasure - The treasure stall will sell pre-loved or new items that have been donated. Coordinating this stall involves finding volunteers to help you and organising a couple of drop days for folks to come and drop off donations. The volunteers should run the stall on the day but you could help and coordinate.
3. Cafe and Cake stall - Coordinating involves finding volunteers to help you, purchasing the milk and sugar etc before the day. Setting up tables in the hall. Coffee is made by a barista and cakes come from the cakes stall. The volunteers should run the stall on the day but you could help and coordinate.
4. Fish 'n' Chips and Potato on a Stick! - Coordinating involves finding volunteers to help you, purchasing the potatoes, cheese and spices and storing them in the cooler room before the day. The volunteers should run the stall on the day but you could help and coordinate.

The P&C will guide you through the process coordinating the stall, including how to run hand books from the previous year. It does not take much time to be a coordinator. Attending about 2 meeting before hand, a few hours on the week before the fete and the Fete day. It's also great fun! We need as many K-2 parents as possible to take part in this year's Fete.

If you would like to participate please email [ermeps.pandc.fete@gmail.com](mailto:ermeps.pandc.fete@gmail.com) or phone 0433 577 382.

Many thanks,  
Fete Committee

### **HELP NEEDED**

Craft Stall at this year's fete. Saturday June 1st

- You do NOT need to know how to sew.
- If you can use an iron and work scissors then you can help.
- You can do one project or lots it's up to you.
- Or help out on the stall on the day for 2 hour time slot.

The more help we receive the less work we have to do and you're giving back to the school community. If you don't fancy working on the craft stall there are many other stalls that need your help. Quite a few parents are leaving this year myself included so it's the perfect opportunity to learn the ropes.

Please call Beth Cooksey 0410 154 045 or an email to [lizabethcooksey@gmail.com](mailto:lizabethcooksey@gmail.com) for you are able to help in any way.

**CANTEEN ONLINE ORDERING** – go to [www.myschoolconnect.com.au](http://www.myschoolconnect.com.au) Cut-off for orders is 9am on the day of delivery.

**SUSHI** Please note that the cut-off time for ordering sushi online is 8.15am on Friday. This is so we can work out how many we have left to sell over the counter at 8.30am.

**PSSA students** - please order through the PSSA Friday lunch menu. If your child doesn't attend PSSA, please don't use the PSSA menu, just order through the ordinary lunch menu. PSSA is for students in 3-6 who leave the school via bus to play sport against other schools.

**For School24 users who still have credit in School24 (Canteen only).** There are still a lot of parents who have credit left in School24, but have not requested for it to be transferred over to My School Connect. Once you have your new account you must email Wendy (Canteen Manager) [wlarocca@optusnet.com.au](mailto:wlarocca@optusnet.com.au) to have your funds transferred.

FRUIT, VEGETABLE AND WATER BREAK

The Crunch&Sip break at school is a good opportunity for children to stay hydrated.

Children lose fluid when being active, especially over the summer months.

Drinking water is the best way to quench your thirst.

**Help your children choose water as their drink:**

- Pack a water bottle each day.
- Try adding a frozen water bottle to your child's lunchbox to keep food items cool.

The principal and school staff, using their professional judgment, are best placed to maintain discipline and provide safe, supportive and responsive learning environments. The department provides a policy framework and resources such as Legal Issues Bulletins, access to specialist advice, and professional learning to guide principals and their staff in exercising their professional judgment. In this context the NSW Government and the Department of Education will back the authority and judgment of principals and school staff at the local level.
