- **Order/payments by Friday 2nd August**

Our classes have been starting new lessons on our 4 expectations. This week we are reviewing **SHOW RESPECT**. We can display this in many ways. During morning assemblies it is important to watch and actively listen to messages and support our house captains when they give our weekly house points. In the classroom teachers expect students to allow others to learn and speak with each other with respect. While teachers are on playground duty they are looking for students displaying all of our expectations to receive an ermo token for our Friday draw. Congratulations to those students that were selected for their reward this week with Ms Riley

Education Week 2019

Education Week (Monday 5 August – Friday 9 August) is a statewide annual event that celebrates public education in NSW. The achievements of public education and local schools are highlighted during the week, with an emphasis on our students, our educators and the communities that support them.

Every student, every voice is the 2019 Education Week theme. It is an important message that underpins our ambition within the NSW Department of Education to every student being known, valued and cared for, and gives us the opportunity to reflect on the valuable role student voice has in creating engaged citizens who will thrive beyond the school gates.

Please join us on Tuesday, 6th August at Ermington Public School to celebrate Education Week 2019.

9:15am – 10am: Open Classrooms – Visit your child’s class and participate in a learning experience with your child.

10am – 11am: Performance Assembly – Enjoy a showcase of performances from the school band, aerobics, dance, strings, intermediate choir only and recorder groups.

11am: Morning Tea – Engage with our great community of parents at a morning tea just outside the hall.

School Bell Times and Student Safety

There is an increasing number of students arriving at school early in the morning and waiting in the playground unsupervised by their parents/carers. School commences at 9am each morning and a teacher is rostered on for duty at 8:35am. There should not be any students in the playground before this time unless they are involved in a supervised activity such as PSSA Training. If you arrive at school early with your child, you need to remain with them until 8:35am when a teacher enters on playground duty.

Engaged Proud Successful Learners

What a great start to Term 3. Students thoroughly enjoyed the Aboriginal and Torres Strait Islander cultural experience through NAIDOC Week activities last Wednesday. Students were highly engaged in their educational experiences and were also delighted to see the growth of produce in the garden.

K-2 Athletics Carnival

Thank you to K-2 Staff for the outstanding coordination of the K-2 Athletics Carnival. I would like to thank Melissa Baker for coordinating TAFE students to organise fundamental movement skills activities for the students. Congratulations to each and every student on excellent participation and for thoroughly enjoying each track and field experience.

Lost Property

Please ensure clothing items are labelled with your child's name. Please check lost property for missing belongings as soon as possible as this tub will be cleared by Friday. The lost property tub is located outside the Tech Hub.

School Readiness Session

What a wonderful turnout we had for the School Readiness Session last Wednesday. Thank you to Mrs Mackenzie for liaising with preschools and for the delivery of such an informative session which provided parents of Kindergarten students commencing school in 2020 with tips on preparation for school. Thank you to Sara Andersson for the great support and for providing parents with information from a preschool perspective and as a parent at Ermington PS.

Good luck students!

Tonight we have our strings and recorder groups performing at the Banksia Music Festival at the Opera House. Today one of our students, Annika is competing at the National Swimming Competition. We wish our students the best of luck!

Enrolling Now for Kindergarten 2020

We are currently taking enrolments for Kindergarten 2020. If you know anyone with children who will be starting school next year, please encourage them to enrol.

Principal

Stage News

Kindergarten

What an exciting way to start the term! On Wednesday we had some excellent indoor and outdoor activities to celebrate NAIDOC Week. On Friday Kindergarten had a fantastic time at their first athletics carnival. Thank you to all the parents who came along to help or watch the students participate. This term we are learning about Living Things in Science and about creatures and plants that live in the sea for Geography. Please remember to bring back the blue work sample folders. The sight words for this week are our, ocean, water, animals and deep. This week's sounds are 'fl' and 'sl'.

Stage 1

A big congratulations to all of the boys and girls who participated in the Athletics Carnival last Friday. It was a fun-filled day where all students challenged themselves across all running and tabloid events. This week Year 1 and 2 will be focusing on the following:

- Year 1 Spelling and Grammar- 'ea' sound and alphabetical order
- Year 2 Spelling and Grammar- 'k' sound and irregular past tense
- Handwriting - revising wave patterns
- Year 1 and 2 Mathematics - time

Last term in Geography, Years 1 and 2 were investigating how they could care for different environments. As part of the unit, 2Y designed posters to promote how students could care for Ermington. Last week we finished these posters and are looking forward to putting them up around the school on display.

Stage 2

It has been a very busy and exciting start to term 3. Our students had an enjoyable day last week for NAIDOC day where they engaged in class artwork activities, whole stage fun sporting games and not to mention the amazing in school performance. In Science classes have started their new lessons on 'Exploring Energy' where they will get to investigate light, heat and electrical energy that can be generated and transferred. We are very excited to start our History lessons which are about Community and Remembrance with a focus on the importance of country/place to Aboriginal and Torres Strait Islander people who belong to local areas. We would like to ask families to replenish students supplies such as pencils, glue, scissors, whiteboard markers and coloured pencils. This is really important to allow our lessons run smoothly so students don't need to interrupt others to borrow items. We thank you for your understanding on this. We hope you have a fabulous week!

Stage 3

It has been a big week for our musicians and dancers in our school. Monday saw auditions for the Ryde Spectacular for our senior dance group as well as Aurelian auditioning for a piano solo. On Tuesday, 20 recorder players and 11 string players performed in the Combined Instrumental Concert at the Opera House. It is always a pleasure to take children on excursions outside the school as their manners and behaviour are always excellent. This week will be the beginning of the Premier's Sporting Challenge. This is a wonderful program to encourage children to be more active by taking part in the following activities such as playing soccer, walking the dog, skipping, playing ball games, dancing, aerobics, bike riding etc. Year 6 students received their medical forms for the Year 6 camp today. Please fill in and return to your child's class teacher ASAP.

Year 5 Social Program

Students in year 5 have been working on social skills. Please have a look at the following sheets and talk to your child about them.

Managing my emotions

Choose one emotion. Tick the things in each column that you already use to manage this emotion. Underline the things that you could try in the future.

Anger	Guilt	Embarrassment	Rejection
Feeling really annoyed when you think something wrong has been done to you.	Feeling bad because you have done something wrong or behaved badly.	Feeling upset because you think others will think badly of you because you have done something silly.	Feeling sad because you don't have company or because others don't want to be with you.

Ways to calm down the body				
Do some exercise or a physical activity.				
Breathe slowly and deeply till I feel more in control.				
Walk away so I can work things out.				
Listen to music.				
Do something I like until I feel calmer.				
Keep myself busy with another task.				
Ways to think more clearly (helpful thinking)				
Talk to someone I trust about my angry feelings and get a 'reality check'.				
Think about whether this is just a 'one off' on the part of the person who made me feel angry.				
Think about what part of the problem was my fault.				
Remind myself that everyone feels angry at some time.				
Ways to solve the problem				
Remind myself to not damage my friendship with this person.				
Decide whether I should just try to forget about it.				
Calmly tell the person I am angry with why I feel that way in a calm way.				
Try to solve the parts of the problem that were my fault.				

Make a plan to use one idea from each column when you have this feeling in the future.

NAIDOC Day

Last week we enjoyed celebrating NAIDOC Day, learning all about the 2019 theme of Voice, Treaty, Truth. The students enjoyed participating in NAIDOC activities in their classrooms, playing Aboriginal sports games on the oval and watching the highly entertaining 'Tapalinga' performance in the hall. Everyone looked wonderful in their Aboriginal and Torres Strait Islander flag colours and we raised **\$331.15** for Reconciliation Australia.

Library News

- Congratulations to the 305 students who have already finished the Premier's Reading Challenge. I encourage anyone who hasn't finished to keep reading and recording at home. The challenge closes on August 31.
- The new Scholastic Book Club catalogue is out and there are some great books available. If you didn't receive a copy we have spares in the library, or it is available online (issue 5). **Orders close on Monday August 5.**
- This term we are celebrating Book Week. On Wednesday 14th August we'll be having our annual book parade from 9:15. Everyone is welcome to come and watch the parade. We're encouraging all students to get creative with their costume and see what they can find around home to use.

Premier’s Sporting Challenge

Students have started to participate in the 10 week physical activity challenge which aims to have more students, more active, more often. Physical activity isn't just about being fit, it's about building resilience, improving concentration, and supporting overall health and wellbeing. Students are given awards for the amount of time they spend being active.

Award levels for the 10 week challenge reflect a daily activity time commitment - either as part of a class or team or as an individual. All types of moderate to vigorous physical activities can count toward an award. Activities may include time spent in a broad range of sports and recreational pursuits during lunchtime, in school sport programs, class time, before or after school and on weekends.

Award Level	Daily Activity Time
Bronze	30 minutes per day
Silver	45 minutes per day
Gold	60 minutes per day
Diamond	80 minutes per day

VOTING IS NOW OPEN!

HELP ERMINGTON PUBLIC SCHOOL GET A \$120,000 GRANT!

Did you know?

The P&C has formed a playground steering committee to assist with implementing a new play and learning space at Ermington Public School. This will be a unique public space that integrates learning with social and performing arts, that encourages creativity, imagination, problem solving and caters to special needs children.

Funding needed?

To fund this project, we have applied for a \$120,000 community grant. To win this grant we need people from the community to vote for our school. The projects that have the most community support from the public vote will receive funding.

You can help by voting?

If you live in the Ryde Electorate and are over 16 years of age you can vote for Ermington Public School Playground as your 1st preference by clicking on the following link <https://mycommunityproject.service.nsw.gov.au/>
Then select 'RYDE' as your electorate in the dropdown menu

[Browse projects](#)

[object.service.nsw.gov.au/how-to-vote](https://mycommunityproject.service.nsw.gov.au/how-to-vote)

What if I don't live in the Ryde Electorate?

If you live in the Parramatta electorate unfortunately you can not vote for our school. However, there are several other ways you can help:

- ✓ send the link to family members and friends who live in Ryde
- ✓ ask your child's preschool or day-care if they can send it out as an email to parents to vote for Ermington PS
- ✓ are you in a soccer club, dance class, play a sport or any after school activities? Send them the link and ask them to vote

Remember this is all on a point system and the highest score on August 15th wins the grant so we want to be 1st preference.

Defibrillator Training

The P&C have been successful in securing a defibrillator through sponsorship to be located on the school grounds. Training on how to use this important piece of machinery will be held on:

- Date: Thursday 1st August
- Time: 6:15pm - 7:45pm (1.5hrs)
- Location: OOSH building at Ermington Public School

This is a free training session and everyone is welcome to attend.

Simply knowing how to operate a defibrillator and acting quickly in an emergency, can save a life.

Here are some quick facts

What is cardiac arrest?

Cardiac arrest is the term given to the sudden loss of heart function. The person will collapse and stop breathing normally. The heart is no longer pumping blood around to the vital organs of the body.

How common is cardiac arrest?

Over 33,000 people experience an out of hospital cardiac arrest in Australia every year. Less than 9% will survive. The first 5 minutes after a person has a cardiac arrest are the most critical. For every minute that passes, the chance of survival decreases. Early CPR and defibrillation within the first 8-10 minutes can increase the chance of survival by up to 75%.

Please note this is a FREE training session.

Uniform Shop

The uniform shop will be open every Tuesday on weeks 1, 2 and 3 of each month and Wednesday, week 1 of the month. Online orders are accepted at all times.

Opening Hours

- Tuesday, 7th August – 8:30am – 9:15am
- Wednesday, 8th August – 5:30pm – 6:30pm
- Tuesday, 13th August – 8:30am – 9:15am
- Tuesday, 20th August – 8:30am – 9:15am
- Tuesday, 3rd September – 8:30am – 9:15am
- Wednesday, 4th September – 5:30pm – 6:30pm
- Tuesday, 10th September – 8:30am – 9:15am
- Tuesday, 17th September – 8:30am – 9:15am

Ermington Public School - 2019 Pie Drive

The Pie Drive is back by popular demand!

Many of you have asked for a second round of the pie drive and so we have delivered! The Pie Drive is back and this time with a few new additions. What better way to support Ermington Public School than by eating warm, yummy, sweet and savoury treats.

You can choose from a selection of 18 pies and cakes including the new additions of spinach and cheese triangles, Finger buns, chelsea bun and caramel slice. You can even order for family and friends. Please note pies are NOT gluten free.

Simply fill in the order form sent home with your child yesterday and return it with full payment to the P&C mailbox by Friday 2nd August. Additional forms can be found in the office

McCAINS PIZZA SINGLES ARE OUT OF STOCK - for a few months (manufacturer issue). We will temporarily sell **Allied Chefs Stone Baked Ham & Pineapple Pizza Slab (150g)** which is larger, and costs \$3.50.

CANTEEN POLICY FOR CHILDREN WITH NO LUNCH/IOUs

The IOU book is to be used as a necessity when a child has genuinely forgotten or lost their lunch and not as a convenience for parents. No exceptions. Children will be given a toastie or garlic bread for recess and a sandwich (vegemite/honey/jam) for lunch. No drinks will be given - the bubblers are available. No orders above \$2.50 per child. Thanks for your co-operation.

CANTEEN ONLINE ORDERING: We have numerous children coming to the canteen who are not sure if they have a lunch ordered online. Please discuss with your children when to expect an online lunch order or whether they have lunch from home. We are extremely busy serving at lunchtime and do not have time to keep checking the computer for online orders which have not been placed. If a parent has forgotten to order their child’s lunch online and they have no food from home, a sandwich will be given according to the IOU policy above.

If you wish to use online ordering go to <https://myschoolconnect.com.au> to sign up.

VEGETARIAN BURGERS: \$4.00 with salad or \$3.00 no salad. Your choice of sauce included.

FREE CHESS DEMO!!

Sydney Academy of Chess will be running a free chess demonstration tomorrow, Wednesday 31st July from 1:10pm – 2:00pm at Ermington Public School. Children are welcome to come along and try it out to see if they like it. Regular lessons will begin the following week on Wednesday, 7th August at lunchtime.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an expression of interest note from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For more enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

Dear Parents,

Sydney Academy of Chess is looking at running chess coaching at your son/daughters school, Ermington Public School.

Chess is a valuable activity for children, developing their logical thinking skills, concentration and discipline, as well as being a source of much enjoyment! What great way to combine learning and fun!

These classes begin with an interactive lecture by one of our experienced coaches. During the second half of the lesson children play games against each other, putting newly learned strategies into practice. As the term progresses and the children become proficient in all the basics, the lectures will move on to more complex ideas such as strategy, middle game ideas and chess technique.

The cost for the coaching is \$9.00 per lesson per child. There are approx. 8-10 lessons during each term.

If you are interested in your child taking part in this activity, please fill in the form below and e-mail to info@sydneyacademyofchess.com.au

Thanks and regards,

Sydney Academy of Chess
